

• Pain Is A Language of The Body.

General Information

- Body pain can be an indication of needing minerals and antioxidants. It is also the human system's way of asking to be validated. Ignored feelings store topically in the body. Pain connected to feelings, will call for you.
- Transforming feelings to peace is done by talking to the feelings. Learn how to talk through emotional situations. Physical pain calls for emotional validation.
- Emotions relating to issues with a female, generally store on the left side of the body.
- Emotions relating to issues with a male, store on the right side of the body.
- Feelings of rejection are stored in the right side, in the groin area and feelings of Betrayal store in the left groin. • Stored pain from sexual abuse, often reveals itself here also.
- Past issues are stored in the back. • Family issues are stored in the intestinal track and stomach.

✧ Feelings Transformed

✧ My heart heals, as I accept and validate what I feel.

Ponder: "I'm feeling pain in my _____. I wonder, is this an invalidated emotion alerting me?

Look on the two charts, pages 28-29. Which feeling is calling me? Choose what is felt then.....

Ask: "Since I'm feeling [place your negative feeling here], am I willing to accept that?" "Yes"

Ask: "Through my faith in Jesus Christ, would I be willing to wrap my _____ feelings with

• Compassion • Mercy • Forgiveness • Love and God's Grace and transform it to:

✧ I Trust in Christ, I am Love, and We are ONE? ... "Yes"

Say: "And I instruct this process to begin ... Now." ... inhale through your nose ... exhale from your mouth.

Express gratitude: "I thank thee, I thank thee, I thank thee." this completes the process.
